

Parent Payments 2025

Bayswater Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Bayswater Secondary College's voluntary financial contributions for 2025. Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/carers voluntary contributions make a significant difference to the quality of our programs. This financial support ensures that we can continue to provide an excellent range of facilities and resources for your children. Your support in 2025 will allow us to:

- Provide high quality programs and specific subject materials and equipment for English, Mathematics, Science, Performing arts, Art and Technology, Languages, Physical education, and Health.
- Maintain and develop the school grounds.
- Ensure the upkeep of our computer devices to enhance learning opportunities.
- Maintain sufficient class sets of books for students to develop their reading skills.
- Provide hands on maths equipment i.e. measuring materials for teaching purposes
- Facilitate Literacy and Mathematics online digital subscriptions.
- Deliver a range of sporting equipment and access to our new upgraded gym facilities.
- Offer effective first aid for all students.

Bayswater Secondary College makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

Please note, Camps and Excursions will be communicated to parents separately via Compass. For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Elizabeth Swan
Principal

College Council President

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
